

Network Italiano Laminopatie
Associazione per lo studio delle Laminopatie
CF 91459560370
Sede Legale: Bologna- Via di Barbiano 1/10

XXXI Meeting del Network Italiano Laminopatie
7 Novembre 2025
Bologna
Sala Conferenze
Hotel Cavour
Via Goito 4

Programma

- 10:30-10:45** **Registrazione dei partecipanti e saluti - *Registration and welcome***
- 10:45-13:00** **Morning session - Chairperson: C. Lanzuolo – R. Veltrop**
- 10:45-11:15** *Respiratory night events in congenital skeletal laminopathies (L-CMD) in the absence of significant respiratory insufficiency require attention and further studies*
S. Quijano-Roy - Parigi
- 11:15-11:45** *Advanced human iPSC-based modelling of LMNA-related congenital muscular dystrophy enables development of targeted genetic therapies for muscle laminopathies*
F. S. Tedesco - Londra
- 11:45-12:00** *ESCRT-III-dependent Nuclear Envelope Reformation Requires the ESCRT-I-like AKTIP*
I. Saggio - Roma
- 12:00-12:15** *Modelling Emery-Dreifuss muscular dystrophy in 3D human engineered heart tissues*
M. Sorge - Torino
- 12:15-12:30** *Distinct LMNA mutation effects in iPSC-cardiomyocyte subtypes unveil LMNA cardiomyopathy mechanisms*
C. Ronchi - Milano
- 12:30-12:45** *MLIP dysregulation affects chromatin organization and transcriptional regulation during muscular differentiation.*
G. Lembo - Milano
- 12:45- 14:00** *Light Lunch – Hotel Cavour*
- 14:00- 17:00** **Afternoon Session - Chairperson: M.R. D'Apice**
- 14:00-14:30** *Anchoring Heterochromatin, Preserving Muscle: The Role of Prdm16.*
C. Mozzetta - Roma
- 14:30 – 14:45** *Autoimmune Features in LMNA-Associated Familial Partial Lipodystrophy*
G. Ceccarini - Pisa

- 14:45-15:00** *Genotype and clinical expansion of MADaM syndrome*
C. Santoro - Napoli
- 15:00-15:15** *A new case of mandibular hypoplasia, deafness, progeroid features and lipodystrophy (MDPL) syndrome caused by POLD1 gene.*
F. Besagni - Bologna
- 15:15-15:30** *Coffee Break*
- 15:30-15:45** *X-linked Emery Dreifuss muscular dystrophy: a multicenter, Italian, cohort study*
– *Update* E. Giacomuzzi - Milano
- 15:45-16:10** **PROGETTI ASSOCIAZIONI PAZIENTI**
- Associazione AIPROSAB – Patient association for HGPS**
Laura e Amerigo Basso – Tezze su Brenta
- Associazione Alessandra Proietti – Patient association for EDMD**
Claudio e Irene Proietti – Roma
- Progetti AIDMED – Patient association for EDMD**
Eleonora Cugudda – Torino
- 16:10-16:25** *International Meeting on Laminopathies, Paris May 21-24, 2025 –State of the Art of the European Network for Laminopathies*
Giovanna Lattanzi – Bologna
- 16:25-16:55** **Discussione finale e consegna del premio NIL 2025**
General discussion and NIL award 2025
- 17:00** **End of Meeting**
